

CBF Components Private Ltd.

Spanning the Globe for our Customers

To Deliver Supply-Chain Savings

**Ferrous
Forging
Non Ferrous**

Machined Components

Stamping

Company Profile

CBF Components Pvt. Ltd. is a well known name among Indian exporters and we manufacture and supply different engineering components for Automobile, Trailer, Farm equipments. The company operates as an Indo American venture. We have consistently supplied our customer the defect free products at their doorstep exactly when they need.

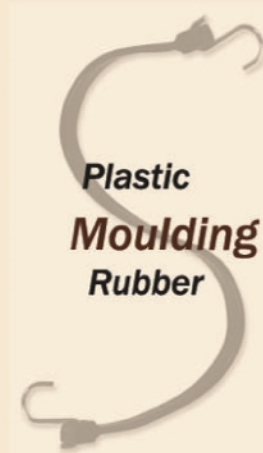

We have a well-equipped team to handle the total procedure from quote to delivery efficiently.

We have our own Factory with ISO 9001:2008 certification, having 4500 sqft covered shop & 9500 sqft uncovered spaces at industrial zone of Amta, Howrah, West Bengal.

We not only supply engineering goods but also promote CBF Culture, which is an important Ingredient of our product.

Fabrication

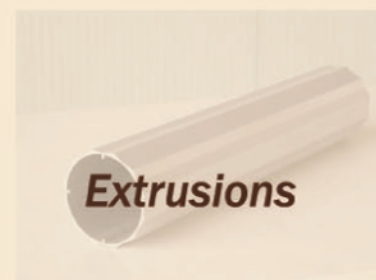

**Plastic
Moulding
Rubber**

**Iron, steel
Casting
Aluminium, Zinc**

Fasteners

Extrusions

CBF deals in:

Wide Product Range:

We deal with vast range of product mix of engineering components

Material:

Carbon steel, Alloy steel, Stainless steel, Aluminum, Grey iron casting, Ductile iron casting, Steel casting, Ni. Di. Hard casting, Rubber, Plastic

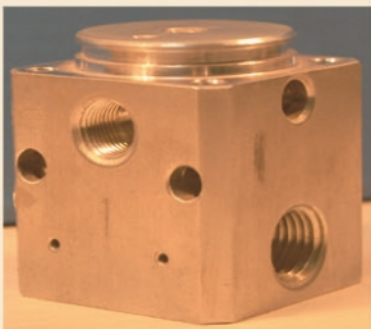

Process:

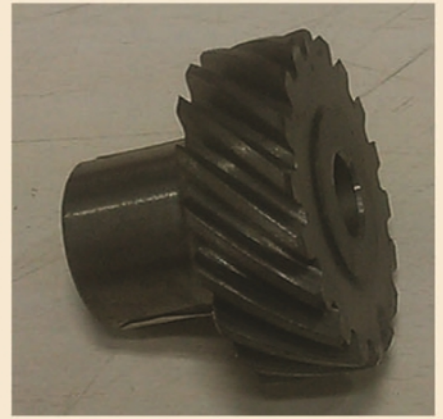

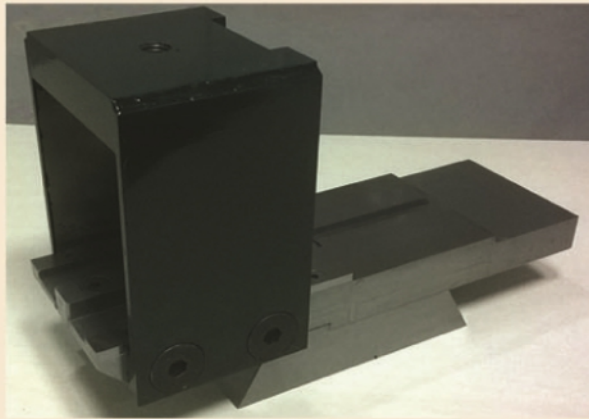

Casting: Green sand casting, Shell molding casting, Pressure die casting, Gravity die casting, Investment casting, Centrifugal casting, Sheet metal stamping, Forging, Hot forging, Cold forging, Machining, Turning, Milling, Gear cutting, Broaching, Thread cutting, Injection molding, Extrusion

Products:

Fastener, Sheet metal parts, Flange, Valve body, Coupling, Hub, Axel shaft, Gear & Pinion, Drum, Leaf spring, Hitch Ball, Spindle, Pintle hook, Spring, hanger, Vise, Gear blank, Brake Pad, Bush, Pipe Joints, Rubber strap, Housing, Manhole cover, Brake shoe

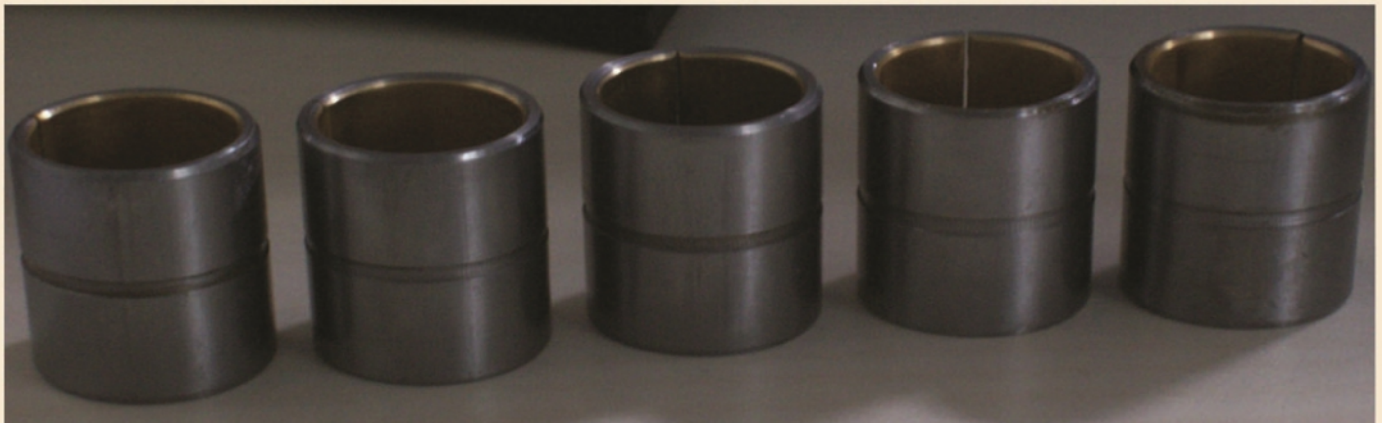

So you have better option to source parts from us.

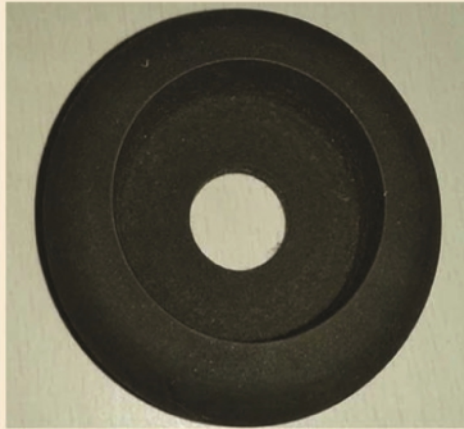

CBF COMMITMENT TO CUSTOMER:

- *Deliver products as per customer specification, on time at customer door step.*
- *Strive to maintain Zero diffect*

Commitment to Customer

To maintain Zero defect CBF does
